

# Student of the Week

Student of the Week is a special time for students to share more about themselves with our class and for us to celebrate their AWESOMENESS! Every student will have a special week that you have chosen. Please note the activities for each day. You are more than welcome to switch activities around to better accommodate your schedule. We'll also be creating a book in class for your child to bring home and keep! Please let me know if you have any questions. We can't wait to learn about what makes your child special!

<b>Monday</b>	<b>Student of the Week Poster:</b> Please have your child bring in a poster board they have decorated with photos and whatever else they'd like! They'll share it with the class, and we'll display it in the room all week.
<b>Tuesday</b>	<b>Special Letter:</b> Parents, please send a letter that I can read to the class about what makes your child special, why you love them, etc. I will hold on to this letter for a project later in the year!
<b>Wednesday</b>	<b>Favorite Book:</b> Please have your child bring their favorite book from home to share with our class. I will read the story to the class on this day, or your child can opt to read it to our class themselves!
<b>Thursday</b>	<b>Show and Tell:</b> Your child can bring something that is special to them and that they would like to share with the class! We are excited to see what they bring!
<b>Friday</b>	<b>Lunch with friends and family:</b> Today is their day to enjoy lunch with any family members that are able to join. You may sit with your child only in the courtyards, or join their entire lunch table(our lunch time is 10:45-11:15).
